

DanceWorks Kenora Policies

as of July 18, 2020 for 2020/2021 Classes

Registration Fee

A \$30 non-refundable registration fee per family is due at the time of enrollment for all Full Year, Fall, and Winter/Spring class registrations. The fee is charged once per family per year (running September to August).

The registration fee is waived for mini-session and summer session registrations.

I've read the above and agree.

Payment Policies

Registration is a commitment to pay the entire tuition amount for the length of the class session. I acknowledge that this obligation will continue until such time as payment is made in full.

Full Year and Fall/Winter Session:

Tuition can be paid in full, by cash, cheque, e-transfer or credit card at the start of a session or broken down into equal installment payments, by credit card or post-dated cheques. The installments are as follows: Full Year (8 months), Fall (3 installments) or Winter (4 installments). The first installment plus the registration fee is due at the time of registration. Payments are then due by the 5th of the following months (October 5th through April 5th as applicable).

Mini-Sessions, Workshops, Camps or Other Special Events:

Full payment at the time of registration is required for mini-session registration, workshops, camps or other special events in order to finalize and reserve your spot.

Late and NSF Payments:

There is a \$20 charge for all N.S.F., returned cheques, declined or cancelled payments. Any payments that are more than 30 days late are subject to a 5% late payment fee on the overdue balance.

I've read the above and agree.

Withdrawal Policies

The following will apply to all student withdrawals:

10 day advance written notice must be received in order to formalize your withdrawal and receive a refund. Missing or not showing up for scheduled lessons does not constitute notice of withdrawal. Late payments or failure to make tuition payments does not constitute withdrawal from classes or cancellation of an ongoing agreement.

For Full Year classes running the full 9 month session withdrawals and refunds will only be processed until November 1st. Fall and Winter session classes will only be eligible for withdrawal refunds within the first 3 weeks of classes.

Past the withdrawal period refunds will not be given except in circumstances deemed exceptional by the studio director (ie: significant injury or illness preventing the dancer from participating for the rest of the season).

Mini-sessions registrations and registration fees are not refundable.

Workshops, camps, or other special events will have the withdrawal policy listed in the details for that particular event. If it is not listed then refunds will only be given for withdrawal more than 15 days prior to the event.

I've read the above and agree.

Late Registrations

Late registrations are accepted only at the teacher and studio director's discretion. Any students registering after classes have started are responsible for a prorated payment for the initial installment and full payment of all remaining installments in the class session as well as the full registration fee.

Registrations for Full Year classes after December 1st (after teacher and studio approval) will be charged a late registration fee of \$50+HST.

I've read the above and agree.

Cancellation & Online Learning Policy

DanceWorks Kenora reserves the right to provide a substitute teacher in the event that the regular teacher is ill or otherwise unable to teach. DanceWorks Kenora also reserves the right to transition studio classes to online learning if needed due to studio shutdowns, weather cancellations, or other unforeseen circumstances.

DanceWorks Kenora fees take into account the possibility of up to 3 cancellations by the studio or teacher for Full Year Classes and up to 2 cancellations by the studio or teacher for Fall or Winter/Spring sessions. If more classes are cancelled, the teacher will arrange alternate classes, workshops, or online sessions as make-up classes.

Refunds will not be provided unless the studio is unable to offer online learning or alternate instruction arrangements. Dancers that choose not to attend class or attend online learning will not be eligible for refunds. Planned studio closures or holidays that were indicated at the time of registration do not count as cancellations.

In the event that the studio is closed due to weather or other emergency situations, we will email all students scheduled that day and post the closure on our social media pages.

DanceWorks Kenora reserves the right to adjust class time or cancel class due to low enrollment. Cancelled classes will receive a refund if the dancer is not able to change to another class.

I've read the above and agree.

Performances & Costume Policy

Performance is an important aspect of dance training and requires the commitment of all dancers in the class in order for the class to succeed as a group. Typically all Full Year classes and Winter session Creative Movement will participate in the Year-End Recital in May while all Dance Foundations, Primary, Junior, and Senior level classes will also participate in the adjudicated dance performances as part of the Kenora District Festival of the Arts in April.

Any dancers who are unable to participate in planned performance opportunities must inform the studio by the deadline indicated when performance dates are communicated. Dancers that are unavailable or decide not to participate in performance opportunities will still be able to participate in class but will not be placed in choreography and will need to dance to the side or sit out occasionally as the class prepares for their performance.

There is no extra cost to participate in the Year-End Recital and the tuition fees cover the entry costs if classes are entered in the Kenora Festival of the Arts. Family members and friends that attend these events will need to purchase a ticket or pay an entrance fee.

Costumes for performances are provided by DanceWorks Kenora (but may build on the dress code requirements for each class) and must be returned to the studio after the final performance. Unreturned or damaged costumes will result in a costume replacement fee of \$80 (plus HST) for each costume.

I've read the above and agree.

Attendance & Etiquette

Dancers are expected to be on time for class with your proper dancewear and shoes for all classes. Proper attire is listed on the studio website (danceworkskenora.com). An important part of dance training is the discipline learned from arriving to class on time and with proper hair and attire. This also provides a distraction free learning environment for all students.

Regular attendance is essential for student success. Please notify the studio with as much advance notice as possible if your dancer will be missing their class. Dancers that are sick or cannot attend in person may be able to attend class virtually if adequate notice is provided. There will be no refunds given for missed classes. Dancers are encouraged to make-up missed classes in another level or style, whether in person or virtually. Make-up classes need to be approved by the studio director. Repeated absences may mean that a dancer is removed from sections of class choreography or will not be allowed to perform with the class.

Dancers and families are expected to follow the studio rules (available online at danceworkskenora.com and as posted in the studio) and to show respect for the dance space as well as the other dancers, teachers, and studio volunteers. Dancers should notify their teacher prior to the start of class of any injuries that prevent full participation. Bullying will not be tolerated. DanceWorks Kenora will make every effort to work with dancers and their families to resolve any issues related to behaviour and proper conduct but reserves the right to decide on appropriate action, including removing a dancer from a class (without refund), as required.

I've read the above and agree.

Class Visitors & Observation

In order to enhance the quality of teaching, maintain a focused environment and ensure students get the most out of their classes DanceWorks Kenora does not allow parents or family to observe classes. Parent viewing weeks or online recordings or streaming of classes will be available to families once per session. Family and friends are also invited to show their support by attending public performances.

The studio may allow family or visitor observation under other circumstances on a case by case basis as decided by the studio director.

I've read the above and agree.

Studio Communications

All registered families must have a current and active email address on account. We communicate the majority of our studio information via email and you are responsible for maintaining the correct email address on file, checking your email regularly, and making sure that info@danceworkskenora.com is listed as a "safe" sender and that studio emails are not going to your spam or promotions folder.

Emails will include registration confirmation, studio updates, schedule notifications, class specific updates, as well as statements and receipts. We do not send promotional or junk mail to our dance families.

General studio news will also always be posted to the website under danceworkskenora.com/news. You can also follow DanceWorks Kenora on social media to receive updates but this does not replace the need for an active email address on file.

We recommend that older students have their own email address on file so that they also receive studio updates and class specific information and can share the responsibility of managing and being prepared for dance classes and events.

I've read the above and agree.

Photo & Media Policy

DanceWorks Kenora students and their parents/guardians agree to the release of any photographs and video for the purpose of publicizing and promoting their programs and services, including posts on the studio's website and social media sites. Compensation will not be expected. Families that cannot agree to this must notify the studio by email. The studio will make every reasonable effort to accommodate "No Photo" requests but does not make any guarantees.

Students and parents are not to photograph or record anything in the studio without the approval of DanceWorks Kenora. Images or videos that include other dancers should never be shared or posted online without permission from that dancer and their family.

I've read the above and agree.

COVID-19 Health and Safety Plan

Until such time as the COVID-19 precautions are removed everyone entering the DanceWorks Kenora studio must agree with, and follow, our COVID-19 Health and Safety Plan which may change at any time. The DanceWorks Kenora COVID-19 Health and Safety Plan will be posted at danceworkskenora.com and within the studio. Families and students will be notified when there is a change to the Plan. Any student, family member, or individual that is not following the COVID-19 Health and Safety Plan will be asked to leave the studio and, if warranted, may be removed from their class, program or event without refund.

Liability

All DanceWorks Kenora students, or their parent/guardians when the student is under 18, waive any and all claims that they have or may have in the future against DanceWorks Kenora, its legal representatives or assignees, all instructors, contractors, or other persons acting under its permission or authority, and all rental facilities or organizations.

Students and parents/guardians recognize that dance and fitness programs require physical exertion that may be strenuous and may cause physical injury and are fully aware of the risks and hazards involved. Students accept responsibility for listening to their own body, being aware of any physical conditions, and knowing that they are not obligated to follow the instructions being given and can modify instructions as needed for their own body.

Registration represents and warrants that the student is physically fit and has no medical conditions that would prevent their participation in dance classes, programs or workshops. The student and parent/guardian agree to keep the instructor informed of any conditions or injuries which may impact their full participation in class or performances.

In the case of online classes and dancing from home, families are responsible for ensuring dancers have a clear and safe space for dance and that there is appropriate supervision of the dancer.

The student and parent/guardian realize that at times an instructor may make physical contact with a student to bring awareness to an area of the body and to correct positioning. The student and parent/guardian agree to let the instructor know before class if the student would prefer no physical contact during class. Note: During COVID-19 there will be no physical contact except in emergency situations. If a situation requires contact or a lack of distancing all reasonable safety precautions will be taken.

DanceWorks Kenora is not responsible for students who do not attend their regularly scheduled class, rehearsal, or event. Parents/guardians consent that they are responsible for students in the studio building or performance venues both before and immediately after their student's scheduled programming. Students age 10 and under should be escorted to and from the studio entrance by a parent or guardian.

The student and parent/guardian assume all risks of participation in the programs and related activities offered by the studio. I acknowledge that despite the precautions taken by DanceWorks Kenora, there are potential risks associated with the programming, including, without limitation, the risk of damage to property and severe or fatal injury, as a result of the student's participation.

I give permission to DanceWorks Kenora to authorize medical care and treatment in emergency situations. I understand that DanceWorks Kenora will make every reasonable effort to reach the student's legal guardian and emergency contact

if an emergency arises. In the event that the student's contact cannot be reached I give consent to medical care and treatment as reasonably necessary. This release extends liability arising out of or in any way connected with any medical care or treatment and/or transportation provided in the event of emergency.

I waive, release and forever discharge any and all claims or actions I or the student may now or in the future have against DanceWorks Kenora for any injury, death, damages or loss sustained as a result of participation in the programs offered by the studio. DanceWorks Kenora will not assume responsibility for any injury, losses, costs or damages resulting from participation in their programs or the related activities.

I've read the above and agree.

Signature Text

I, on my own behalf and on behalf of the above named student(s) for whom I am a parent or legal guardian, hereby guarantee that I have read and do understand the DanceWorks Kenora policies.

I accept and agree to abide by these policies in order to be accepted as a student at DanceWorks Kenora.

I state that I am of lawful age and legally competent and am signing this document on my own behalf or on the behalf of the student of my own free act.

I've read the above and agree.
